

The FinGeo reading list

This is a selection of works for those looking for introductions to financial geography or for review works on state-of-the art in the field. The list covers financial geography textbooks, handbooks, reference works, progress reports, special issues, as well as other selected edited volumes and research monographs. If you think we missed something important or have any recommendations, please contact us at [dariusz.wojcik at spc.ox.ac.uk](mailto:dariusz.wojcik@spc.ox.ac.uk).
